Peace of mind for your motoring

# Dacia **Extended Warranty**

## **THINK AHEAD**

You can rely on Dacia to protect your vehicle with a warranty for worry-free motoring but what happens when that cover comes to an end?

Dacia Extended Warranty is designed to provide you with ongoing protection from mechanical and electrical failure after the manufacturer or your existing warranty has ended.

## **REASSURANCE**

You will be covered for the cost of covered components, which includes parts, labour and VAT, up to the purchase price of your vehicle.

Out of pocket expenses like towing, car hire and overnight accommodation are all included, plus cover is valid for trips to EU countries as well as throughout the UK.

## **TRANSFERABLE**

If you sell your Dacia sooner than expected, you can transfer the benefits of your Dacia Extended Warranty completely free of charge to the new owner (as long as it's a private sale). This can add significantly to the resale value of your Dacia.

## **DURATION AND PRICES**

Dacia Extended Warranty provides additional peace of mind for a further year once your warranty cover comes to an end. The price of an extended warranty for your vehicle is shown on the covering letter.

**IMPORTANT – THIS COVER IS NOT AVAILABLE ONCE YOUR EXISTING WARRANTY HAS EXPIRED.**

If you would like to purchase a Dacia Extended Warranty, please apply online or complete the application form enclosed. The website details can be found on the letter accompanying this leaflet.

# Dacia Extended Warranty Policy Summary

keyfacts®

This document contains some important facts about Dacia Extended Warranty and is designed to assist you in making an informed purchasing decision. It is not a statement of the full terms and conditions of the policy. Should you choose to purchase this product you will be sent a warranty handbook, which includes the full terms and conditions. Please take time to read this handbook to make sure that you fully understand the cover provided.

## 1. FEATURES AND BENEFITS

Dacia Extended Warranty provides 12 months protection from mechanical and electrical failure of specified parts of a motor vehicle. It is available on vehicles up to 10 years old having travelled less than 100,000 miles from new.

At the time of warranty purchase, the vehicle must either have an existing warranty administered by Dacia Extended Warranty Administration or still be within the manufacturer's warranty period. This cover is not available once your existing warranty has expired.

## 2. SIGNIFICANT EXCLUSIONS OR LIMITATIONS

- Dacia Extended Warranty cannot be purchased after your existing warranty has expired
- Your vehicle must be serviced in accordance with the manufacturer's recommendations
- Vehicles used as a taxi, minicab, driving school or made available for hire or reward are excluded
- Gradual reduction in operating performance (wear and tear) due to the age and mileage of the covered vehicle is excluded
- Certain specified parts are excluded from cover
- Only available on Dacia vehicles

Full details of exclusions, terms and conditions are printed in the warranty booklet.

## 3. POLICY PREMIUM PAYMENTS

Cover is available as an annual policy with a single upfront payment or via monthly instalments.

Where you have selected to purchase your product via monthly instalments, you have entered into an agreement to purchase an annual policy, spreading the cost over interest free instalments. You are required to continue to pay your instalments until all monies owed have been paid.

The cover level provided when opting to pay by monthly instalments is identical to that of an annual policy. You must pay the premium every month on or before the date when it is due. Payment is required for the full premium of your policy subject to the cancellation terms. Should you fail to pay a monthly premium when it is due, all cover will cease immediately from that date. Where you have made a claim against the policy, you will be asked to continue to make your monthly instalment payments.

## 4. MAKING A CLAIM

If you need to make a claim for warranty repairs you should contact your local Dacia dealer for instructions on how to proceed. Please make sure that you have your warranty handbook and welcome letter available. If further help is required you may contact our Customer Services Helpline on 0344 573 8214.

## 5. CANCELLATION RIGHTS

We hope you are happy with the cover this policy provides. If after reading your policy document, however, this insurance cover does not meet with your requirements, you have the right to cancel the warranty within 30 days of purchase.

Should you wish to cancel within this period, please contact the Administrator who will arrange cancellation and refund of any premium you are entitled to.

If you wish to cancel your policy after this 30-day period, you may cancel your policy at any time and receive a pro rata refund of your premium based on the number of whole months remaining subject to the deduction of a £30 administration fee. Requests for cancellation outside of the first 30 days from purchase should be made by contacting the Administrator on 0344 573 8214 or in writing to the Administrator at Dacia Extended Warranty Administration, Jubilee House, 5 Mid Point Business Park, Thornbury, West Yorkshire BD3 7AG.

There will be no refund entitlement under the following circumstances:

- in the last 30 days of the warranty period.
- if you have made a claim.
- if you were provided with the warranty free of charge.
- where the warranty has been transferred from the original purchaser.

Please allow up to 28 days for your cancellation refund to be processed.
